CLASSROOM NEWS

It's officially Fall and as we head into spooky season we are looking forward to some Halloween fun. The children will be learning about family, Fall animals, leaves and of course all things Halloween. They will have the opportunity to explore the wonderful world of pumpkins using the five senses to explore and learn all about them. We will be having our 2nd Annual Halloween Carnival and are looking for parent volunteers who would create and run a game or activity for the children. Please see Ms. Christi or Ms. Andrea if you would like to volunteer.
