"Where Your Kids Spread Their Wings"

A note to our families

Spring is in the air and we are welcoming it with open arms. I always get excited for Spring because it is jam packed with amazing opportunities and learning experiences for the children. We love getting outdoors this time of year to explore the amazing world of weather, bugs and flowers before the weather gets too hot. Don't forget to wear your green on March 17th for St. Patrick's Day. If we are lucky, the leprechaun may even leave us a special treat.

March Rhymes and Fingerplays

5 Little Leprechauns

5 little leprechauns went out to play
The first one said “what a beautiful day”
The second one said “I’m looking for my gold”
The third one found a shamrock to hold
The fourth one pointed at a bright rainbow
The fifth one said “Hurry! Let’s go!”
They ran to the end of the rainbow. Hurray!

Spring is Almost Here

The sunshine gleams so bright and warm,
The sky is blue and clear.
I run outdoors without a coat,
And spring is almost here.
